

## 2020 Announcement of International Conference on Pediatric Cardiology

November 30-01, 2020 | Barcelona, Spain

### Meghana Nannapaneni

Research Scholar, KIMS Institute of Medical Science and Research Centre, Hyderabad, India, E-mail: [medicomeghana@gmail.com](mailto:medicomeghana@gmail.com)

Pediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. The word pediatrics and its cognates mean "healer of children"; they derive from two Greek words. A medical doctor who specializes in this area is known as a pediatrician, or paediatrician. Pediatricians work both in hospitals, particularly those working in its subspecialties such as neonatology, and as outpatient primary care physicians.

[Pediatric Cardiology 2020](#) is an event that aims to explore innovative approaches towards the research and development of pediatric cardiology. The conference will serve as a platform to bring together leading pediatricians, scientists, researcher, academicians participated for sharing research advance, knowledge and expertise related to the pediatrics worldwide with different specialties such as [Pediatric Cardiology](#), Heart Diseases, Pediatrics Neurology, Cardiac Nursing, [Pediatrics Surgery](#), etc. Pediatric Cardiology Congress will discuss on the topics such as Pediatrics, Breast Feeding, Clinical Pediatrics, Neonatology, Heart Diseases, and Cardiovascular Surgery and so on. World Pediatrics 2019, Pediatrics Conferences, Barcelona Pediatrics Conferences and Barcelona Pediatrics Meetings.
