The organising committee members of International **Conference on Cardiology and Cardiac Nursing** have finally revealed the theme for this year's **Nursing 2020** conference and it is going to be **November 02-03, 2020 Sydney, Australia**. Conference Series and the organising committee of NURSING 2020 acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of **Nursing, Nursing Education, Midwifery**, and has decided to introduce various achievement awards for all the participants. **Nursing 2020 conference** will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at **Nursing-2020**.

Expert Level

The award is meant for the experts who have made exceptional contribution in the field of [Cardiac Nursing](#) and [Cardiac care nursing](#) Research. This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public /private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.

Out Standing Speaker

The award is meant for the individuals who can present their projects, strategies, schemes, etc., or have been implemented as well for the long term excellence in the field of [Emergency Cardiac nursing](#). Deserving nominees can be awarded online as well.

will be presented. **Best Keynote Speaker Award** will be presented to the keynote speaker who adds an

extraordinary feel to the conference by their distinguished research work, projects and strategies that will provide a new trend in the field of **Neuroscience**.

Best Keynote speaker

The award name itself denotes that the award is for the best speaker of the conference. Anyone who can present his/her project, Strategy and a scheme or have proved fruitful for the long term excellence in the field of Cardiovascular Nursing. Deserving nominees can be awarded online as well.

Best Poster Presentation

[Cardiology and Cardiac Nursing](#) Conference comprises many poster presentations and the speakers designated as poster judges will nominate one poster presenter for the Best Poster Presentation Award. Conference Series aims at to provide a platform for all the promising scientists and budding researchers to present their research work, views and different aspects of the theme "[Upgrading Future needs of Cardiac nursing](#)". Deserving nominees can be awarded online as well.

Outstanding Thesis

The award is designated for the Masters/Ph.D./ Post Doctorate students who can present their thesis and projects or have executed the same for the long term excellence in the field of [cardiovascular epidemiology](#). Deserving nominees can be awarded online as well.
