Importance & Scope:

Pediatrics is one of the most significant practices of medicine. It deals with the medical attention of children, adolescents, and neonates. There are a huge number of populations as a number of births all over the world are increasing day by day. The bodies of children are more prone to infection and more susceptible to diseases than teenagers. Common treatment includes surgery, chemotherapy, immunotherapy, radiation therapy, and germ/stem cell transplant. At the neonatal and pediatric we will expect the experienced gathering from Universe so that new idea or new research will come with a discussion at the conference and that will be productive to children suffering from cancer diseases.

Pediatrics Health aims to promote continuous medical education and encourage a nourishing exchange of facts and ideas about Health of Infants and Children. This will be a best chance to impact the biggest gathering of members from the Pediatricians. On this auspicious occasion, Organizing Committee cordially invites all the Pediatricians, Scientists, Researchers, Pediatric Nurses, Pediatric doctors, Educators, Pharmacists and other healthcare professionals interested in the up-gradation of the healthcare requirements of pediatric patients suffering with health disorders.

Target Audience:

Our Organization would be privileged to welcome the:

- Directors of Cardiology and related Programs or Associations
- Heads, Deans and Professors of Cardiology and related departments
- Scientists and Researchers
- Doctors
- Cardiology Associations and Organizations
- Laboratory members and Students working in the field of Cardiology.
- Students
- Doctors

Related Hospitals:

- Asian Heart Institute Amcor Packaging
- Sikarin Hospital
- Medicana Hospital
- Memorial Bachelievler Hospital
- Medipol International Health Center
- Hisar Intercontinental Hospital
- Saudi German Hospital
- Asan Medical Center
- Dannon
- Dow AgroSciences
- DuPont Nutrition
- Bago Laboratories Pte Ltd,
- Beacons Pharmaceuticals Pte Ltd,
- Beecham Pharmaceuticals (Pte) Ltd,

Related Associations and Societies:

- American Society of Nuclear Cardiology
- American Society of Hypertension
- International Academy of Cardiology
- International Society for Heart Research
- International Society for Minimally Invasive Cardiac Surgery
- Society of Geriatric Cardiology
- American College of Cardiovascular Administrators
- The Association for European Pediatric Cardiology
